## IN MEMORIAM

We the Senior Class of 1960 dedicate this page in our yearbook to  
Mrs. Speers.

Mrs. Speers was a Home Economics teacher at the old Gilbert School for eleven years. We all knew and appreciated the many things she did for the school and students. We shall always remember her with great admiration.

## DEDICATION

This year's Miracle is dedicated to you, Mr. Graves, our former adviser.

It is seldom that a school is fortunate enough to have in its faculty a man who possesses the industry, patience, and perseverance to see that a yearbook staff produces a book which will be enjoyed and treasured by all.

We, the class of 1960, have been fortunate in knowing and working with you for three years, and so dedicate this book to you.

"The primary concern of American education today . . . is to cultivate in the largest possible number of our future citizens an appreciation of both the responsibilities and the benefits which come to them because they are Americans and are free."

JAMES BRYANT CONANT

Gilbert has provided an opportunity to learn many fundamentals which you would not have learned had you not attended high school. In the next few years it will become more meaningful to you. If you go on to higher education you will soon be aware of how well you are prepared. If you enter other fields of endeavor you will see the value of what you have been taught.

Anyway, your high school experience should motivate you to continue to learn as long as you live.

# MEMORIES FOREVER

The memories of your years at Gilbert will undoubtedly stand out in your minds long after graduation and "school days" have passed you by; and they should, for being a part of Gilbert, in itself, is a thing to be proud of.

May the memories of the sports which have watched or participated in forever be a symbol of your class spirit and exuberance. Without the fine team spirit of your classmates would Gilbert have been able to reach the Basketball Tournaments or achieve so outstanding a football record? Your cheerleaders and pep squads never failed in their tireless efforts to build up the teams' morale and stir up enthusiasm throughout the student body. Our baseball teams also made Gilbert a name to be respected.

Music will be looked back upon with equal distinction in the years to come. You Glee Club members, could you ever forget the many concerts in which you participated? White River and Rutland will always remember their visits to Gilbert and likewise will the Glee Clubbers cherish the memories of their exchange concerts. The band will also call back to mind their Ipswich concert and the many other momentous experiences they have shared.

No one could ever underestimate the exertions of the Dramatic Club. Not as long as you can remember the fine results. "Star Dust," "Onions in the Stew," and "Nuts in May."

Above all memories probably you shall be constantly remembering those of your high school social affairs: Sen-Jun-Soph-Frosh Dance, Ragpickers Ball, and the unforgettable proms with their beautiful themes. You certainly have many memories that will stand out in your minds and symbolize your youth!

Since that first day that you so awkwardly stepped into Gilbert's "Golden Halls" you have all matured greatly and have set one of the best records of any class. Now you have a decision to make. What will the future hold for you? Will it be college, work or perhaps marriage? Whatever your choice, we know you will make much of what you have gained at Gilbert.

As the year draws to a close, we really begin to appreciate all the hard work and effort that these five people have put into their jobs. They have helped make the class picnic, the banquet, and graduation night moments to remember. Being an officer of the class is not just an honor; it is a great responsibility, and this year's choices have done their jobs well.

# HISTORY OF THE CLASS OF 1960

It seems like only yesterday — so the cliche begins. Yet it does seem like just the other day when we were green little freshmen, mouths agape, as we entered the Golden Halls. Let's retrace our steps from the beginning . . .

The true beginning was the day in June when we came to Gilbert to take some "crazy" tests and to receive our copy of "Gilbert's Layout," or as it was commonly called, "Don't Pay Any Attention to Upperclassmen's Directions." So we spent the summer dreaming of our coming life at Gilbert. When September came and we received our schedules, books, pads, pencils, assignment pads, and assignments, we realized that others had been right — "Life is not a cinch at Gilbert."

As freshmen we were ignored by upperclassmen, slighted by sophomores, and pitied by teachers. But we soon gained their recognition when we joined clubs and elected Judy Baker to the Student Council.

Soon we were well on our way into the school year. Steve Mitchel, Ronnie Perkins, Jarvis McCannon, and Jon Ryan made the J.V. gridiron and we lent our voices to the true spirit by cheering for the varsity. We enjoyed the Dramatic Club's "Our Hearts Were Young and Gay," and were thrilled by our first Alumni Game. Mid-years came and went leaving us dazed but none the worse for our struggle.

Spring approached cautiously and we all dreamed (in class, too) of the days when we would no longer be deemed freshmen, but sophomores, those superior things that lorded over us freshmen.

Finally it happened — we were sophomores on the rampage. Although it was summer we couldn't wait to get back on the scene and begin domineering the new "greenhorns." Like strutting peacocks, we proudly acknowledged ourselves as "old-timers," and made the freshmen acknowledge it too.

In this fateful year, the Pythagorean theorem, the curious properties of a  $30^\circ$ ,  $60^\circ$ ,  $90^\circ$  triangle, and other baffling geometric facts mystified us. Ancient history students shivered in the lobby, wrapped in mufflers and wishing they sat by the little heaters up front, as they listened to Miss McGowan explain how the Neanderthal man lived in the "boiler room era." Business students went around reciting Mr. Fortuna's "Golden Rules" for bookkeeping and tried to think how to evade income tax. Who were those apprentice bakers with the nut bread boards; and what were they doing with those T-squares? Wonders of wonders! The farmers finally got tired of carrying water, and gave Jason a chance to go after the golden fleece.

On the athletic scene the football squad didn't do so well. After one starting victim and five losses the team ended the year with a 0-0 tie against Farmington.

The Florida trip gained fame as students brought back knowledge, pictures, tales, and a few things they shouldn't have!

Prom goers went to France to see Paris as displayed by the Prom Committee and their artistry.

The sad part of this year was when we lost all of our Regional friends — except Barbe, who managed to come back to us. We'll never forget them.

Inevitably, Caesar and "the boys" (to quote Butch Howd) wrapped up the Helvetian campaign, the three French conjunctions were mastered, rules and their exceptions, and the date 1492 was impressed on Spanish students.

Finals were at hand and — passed, to our satisfaction. Yes, we were on the middle rung. Two more years would find us as seniors, preparing for graduation.

When we returned to Gilbert in the fall of '58, we began to realize that life would take on a deeper meaning. We would take National Merit Tests, S.A.T.'s, and the College Boards; thus our careful preparation for college and position-seeking would commence.

This year the Gilbert Eleven made second place in the North Central League. The blue and gold varsity quintet went to the C.I.A.C. Class "B" tournament, but suffered a crashing defeat by Branford, although "Mac" and "Bang" attempted to hold the team together, and Perkins, a Johnny-come-lately, proved his worth.

The inverse square law and the properties of matter dismayed physics classes. Algebra II also gave us trouble as the slide rule seemed to slide right by the correct digits, and decimals were constantly misplaced! However with the "pearls of wisdom" from Miss Bailey and lectures from Miss Barton, we survived. Future stenographers took notes in hieroglyphics and then couldn't transcribe them, 'twas a pity! Some diligent ones who looked ahead decided to take U.S. History so they would have a good background for next year!

Class officers elected this year were president "Bang" Williams, vice-president Pat Jones, secretary Sue Carty, and treasurer Bert Humpage. Student Council two-year choices were "Bang" and Kathy, one-year choices were Linda Millahn and Debbie Guest. Connie Church won second prize in the American Legion Oratorical Contest, Kathy was secretary for T.A.P., and Barbe was publicity chairman. Remember the popular Slave Sale Dance and the hilarious minstrel?

At mid-year time, we, veterans of Gilbert's exams, had little trouble and so concerned ourselves with the approaching rotating schedules. What next? Yes, the inevitable — a poetry and short story report!

How about those T.B. shots — the thuds from the library were our falling "he-men" as they were wounded by Dr. Gallo.

Spring rolled around and with it the scent of cherry blossoms. To incorporate the scenery with this theme "Sayonara," Japanese "Good-bye," the Oriental experts created an exquisite Japanese garden. Those chosen juniors on the committee were "Bang," Debbie, Bert, Pat, Geo, and Barbe.

The time came when we had to bid farewell to Vinny and the Golden Halls forever. Next year would find us in our new Gilbert on the site of the old Gilbert Home.

When the seniors graduated, we wished them well and realized that this graduation signified our seniorship.

Weren't we all so proud as we conceitedly displayed our class rings at every opportune (and some not opportune) moment. Thus we whiled the vacation away dreaming of our glorious year to come.

Eagerly we returned determined to polish off our high school career in style. Deftly, we became accustomed to the new building and the semi-rotating schedules. Remember Mr. Anderson's play room?

The cafeteria routine was quite novel. The quality of the food was always directly proportional to the relative velocity of students clomping for seconds. (How's that, Doc?) And those tables on which, to Mr. Fecto's disapproval, there was always room for one more.

Kathy, Connie, Mike, and "Bang" had tales to tell about Laurel and Nutmeg States respectively. Jessie also had tales about her experiences as Winsted's reigning Laurel Queen.

The Yellow Jackets had an admirable athletic season with peppy cheers from the loyal cheerleaders, captained by Jean and Linda.

Those first months were hectic ones, getting used to the newness, the scholastic grind, and yet being socially involved. By the way, how was the fair, Linda and Cath? Every time the seniors turned around a different questionnaire was thrust at them, but all in the course of necessity. This year's Executive State consisted of "Bang" Williams, president; Pat Jones, vice-president; Kathy Barrett, recording secretary; Barbe Boyd, corresponding secretary; and Debbie Guest, treasurer. Two more representatives were elected to Student Council: Pat Jones and Bert Humpage. The Council itself elected "Bang" as its president. Club meetings began and almost everyone had a senior in the presiding office.

Gym! At first this was dreaded, but, after getting to know our instructors, it was happily anticipated. How many sit-ups, boys? Jean, that's not how you work on the tramp — right side up, girl! Linda, did you really slip on a piece of soap? How those showers shrink watch bands!

An enthusiastic crowd came to see "Nuts in May" starring Geo, Pat, Debbie, and Pete.

The first game in the new gym. Wasn't it exciting? So many people! We have to give you seniors credit, with only two hours' practice you did all right. Cheerleaders from "Beatsville" did splendidly, too. The half time gymnastic exhibition went off marvelously and was thoroughly enjoyed.

Senior pictures arrived and were quickly dispensed to friends at parents' expense or "on the house."

The Glee Club's Christmas program and "Winter Wonderland" were wonderful. Kathy and her committees initiated the 1960 T.A.P. Drive. The Spring Concert and another prom passed. The events happened so fast that only the teachers knew about the forthcoming finals.

When Graduation Exercises and Class Night eventually rolled around, all were eager to be listed as Gilbert alumni. We wished our classmates and friends the best and took our leave — some to college, some to work, some to Uncle Sam, all taking memories of their Alma Mater.

Now that you have begun to read this line, you have graduated and proceeded to your future. May this "Miracle," your yearbook, serve as a souvenir of your wonderful and eventful years.

## RADIO CLUB

The Gilbert Radio Club has grown considerably since its initiation to the school club program three years ago. Through the help of their adviser Mr. Johnson the members have worked the shortwaves contacting numerous locations all over the hemisphere.

The boys have spent much time learning radio theory and proper communication methods. Many members are "hams" and are thus entitled to talk over the set. Most of these are also members of the Civil Defense Emergency Patrol, ready to use their equipment in time of distress.

The *Miracle* staff, under their respective editors, work diligently all year collecting, writing and typing material for the yearbook. Their aim is to present a book of memories pleasing to the students, parents, and teachers.

Under the new advisorship of Mr. Peter Haraty and Mr. Richard Healy, the Board feel they have produced an edition which represents the school and its activities to the fullest.

## CHEERLEADERS

The purpose of the cheerleaders is to give moral support to our teams and to promote better school spirit throughout the student body.

This year's group has provided a peppy cheering section at basketball and football games.

After two years, cheerleaders are awarded a cheering charm which denotes their faithful and appreciated support.

The squad's new members are chosen to replace graduating members by a three "A's" basis—attitude, ability, and appearance.

## FOOTBALL SEASON

The Gilbert Yellow Jackets following an admirable 5-2 record in their 1958 season tallied a mediocre 3-4 record during the 59 season.

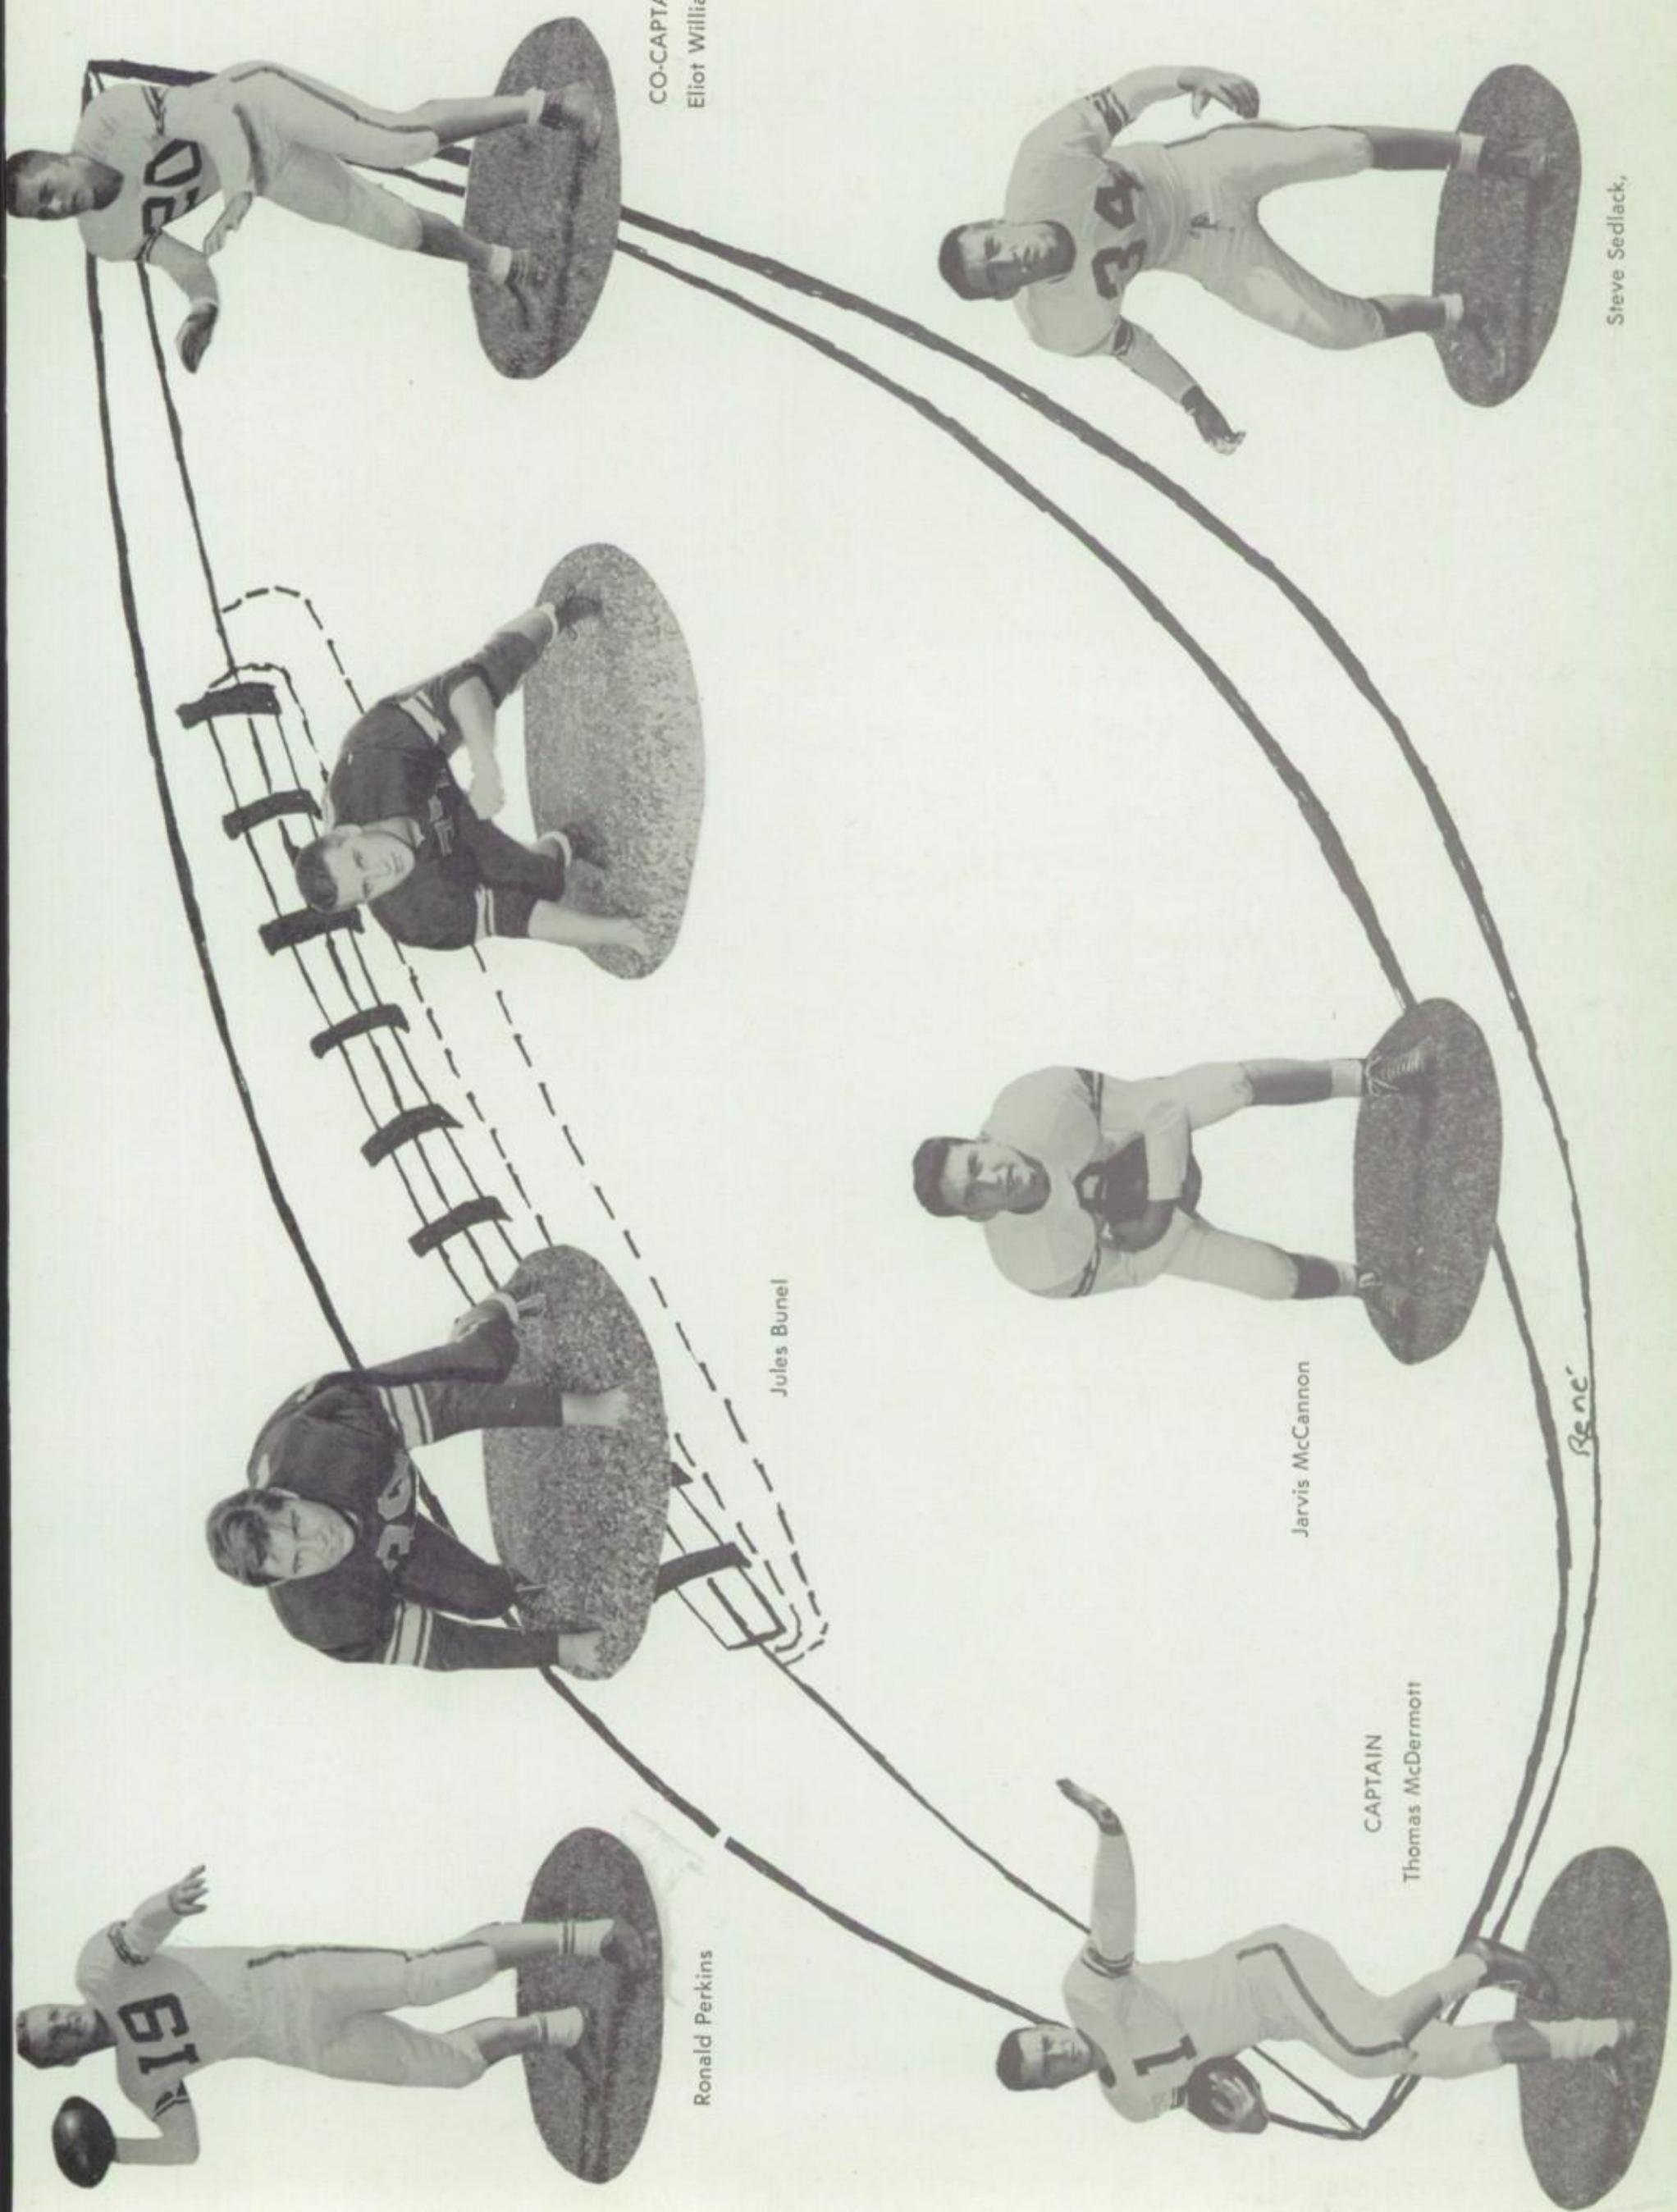

Led by senior Co-Captains Bang Williams and Tom McDermott, the team, consisting of a number of new sophomore and junior varsity men, started off with a 28-0 loss to a strong Simsbury eleven. Following this game the Jackets suffered their second loss to Canton. Retaliating strongly after their first two losses, the gridders trounced Wilby 26-18 and Farmington 24-0. A 36-8 loss to Housatonic Regional then broke their winning streak. Their even .500 record was regained with a 24-6 win over Berlin. Then a 30-8 loss to Sacred Heart of Waterbury gave the down-hearted eleven their 3-4 season record.

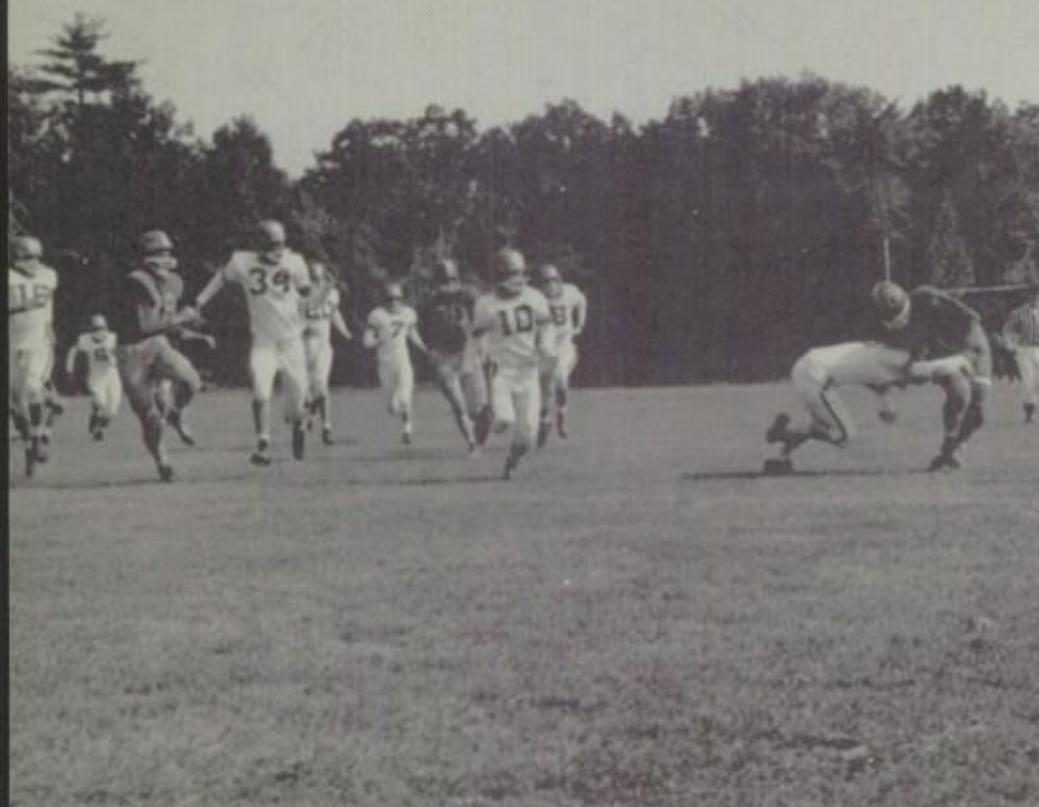

Although losing seniors, Williams, McDermott, McCannon, Perkins, Bunel, Ryan, and Sedlack, Coach Fortuna expects a fine crop of returning junior and senior lettermen next fall.

School spirit leaving something to be desired, this year's team has something to be proud of, for they displayed sportsmanship and excellent teamwork throughout the games.

FIRST ROW, left to right: William Graves, Jay Hanley, Edward Marolda, Robert Moony, Toby Falzone, Daniel Burke, SECOND ROW: Mr. Daniels, Louis Roy, Maurice Dulude, Ronald Perkins, Thomas McDermott, Eliot Williams, Jarvis McCannon, Steve Sedlack, David Watson, Mr. Fortuna, THIRD ROW: Mr. McClellan, Peter Hanley, Richard Tamminen, Steve Vaill, George Sherwood, James DiVita, Norman Chamberlain, Barry Smith, Pasquale Mori, Mr. Beecher, FOURTH ROW: Clark Sission, Niel Machowski, Leo Schellenberger, Robert Clark, James Robertson, Gaeton Gangi, Matthew Connole, John Dulutrie, Norman Newfield.

BASKETBALL TEAM

FIRST ROW, left to right: Eliot Williams, Ronnie Perkins, Tom McDermott. SECOND ROW: Mr. Flaherty, John Nero, William Dorn, David Watson, Jimmy DiVita, Steve Sedlack, Jerry Tanner, Richie Simmons, Dennis Maloney, Toby Falzone.

Left to right: Clifford Williams, Harold Standard, George Simons, Richard Andrigetti, Walter Britton, Norman Chamberlain, Ronald Garbus, Barry Bayette, Daniel Kellogg. FRONT: Toby Falzone.

## BASKETBALL

Gilbert's Yellow Jackets, started off an exciting season with an encouraging win over the Torrington Red Raiders, 45-43, with senior Tom McDermott's last-second basket. At the start of the season the Yellow Jackets showed a great deal of team spirit but found themselves struggling through a disappointing 1959-60 season after their first few games.

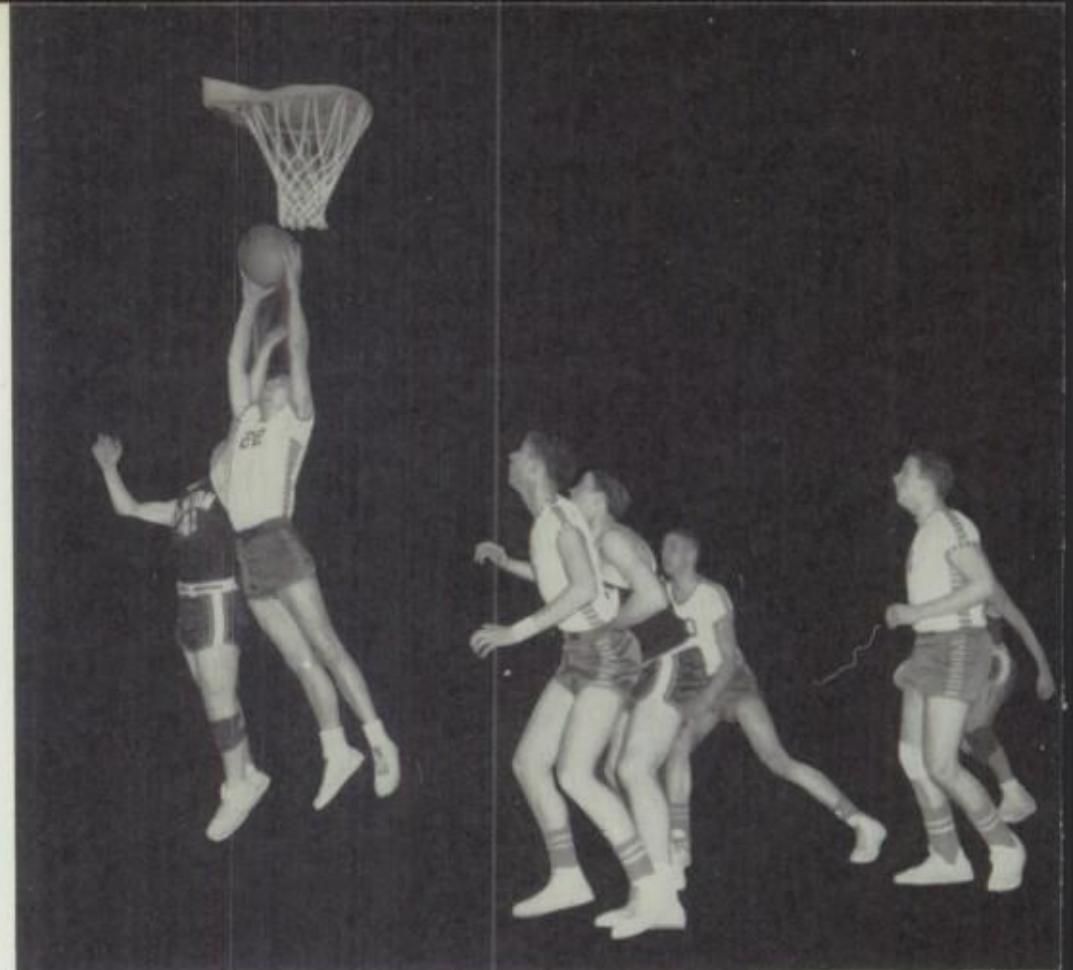

Hard luck hit the Blue and Gold quintet netting them seven hard earned victories and fourteen battering losses.

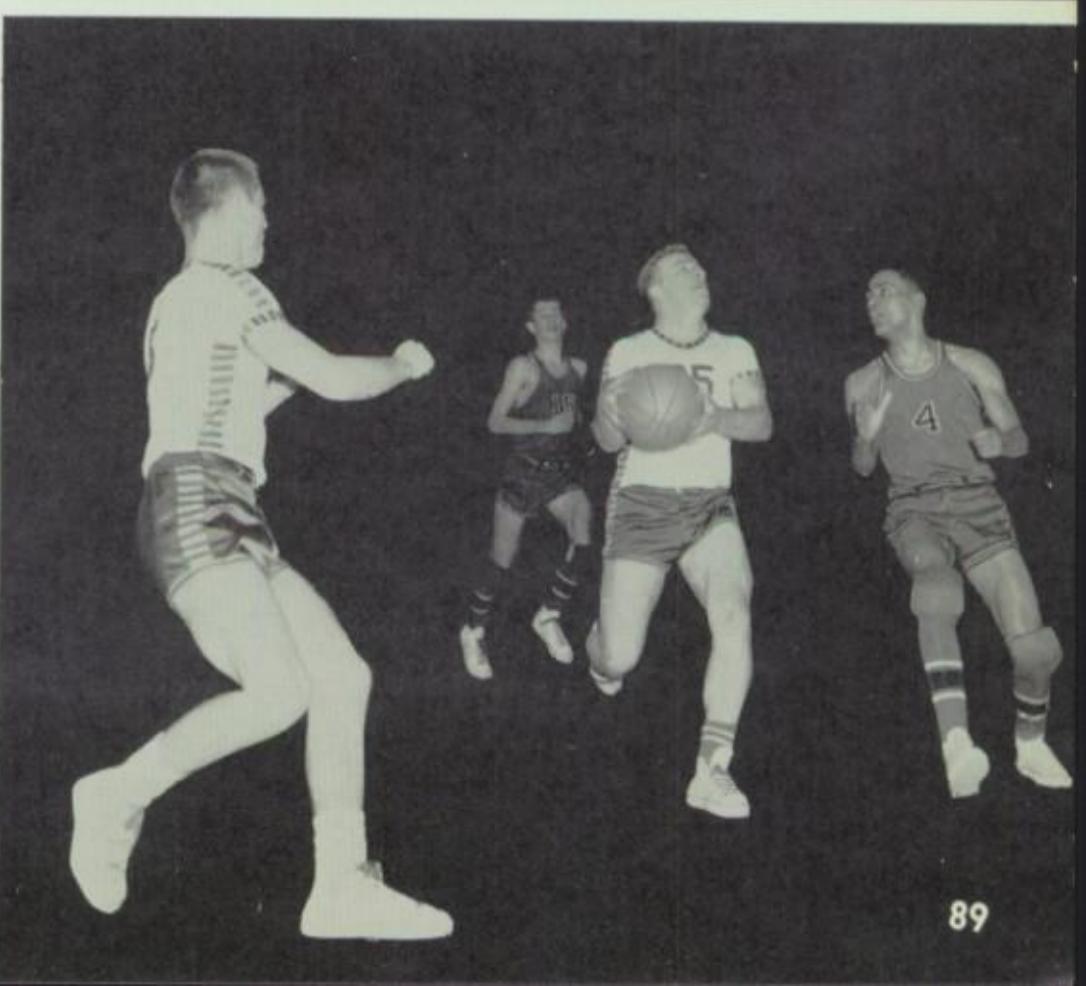

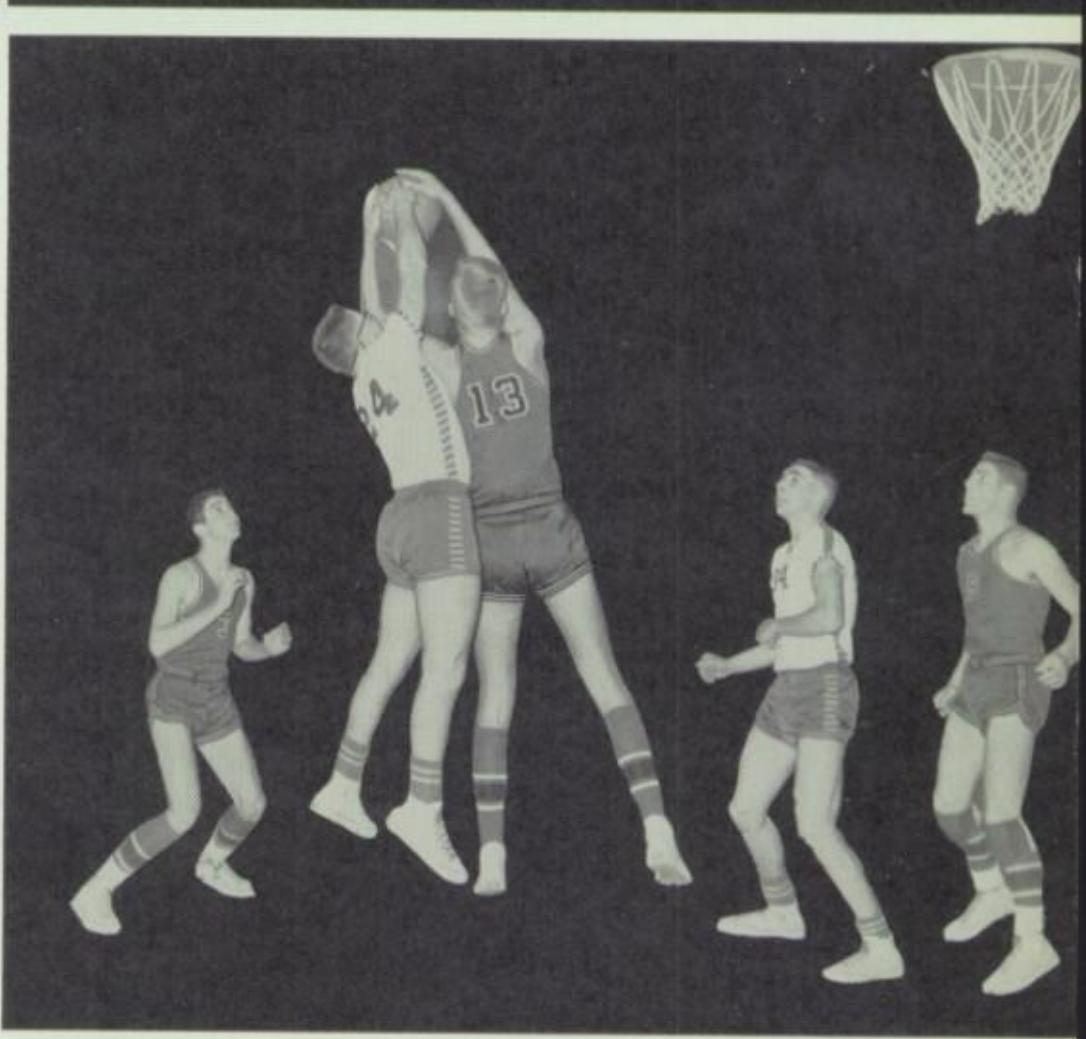

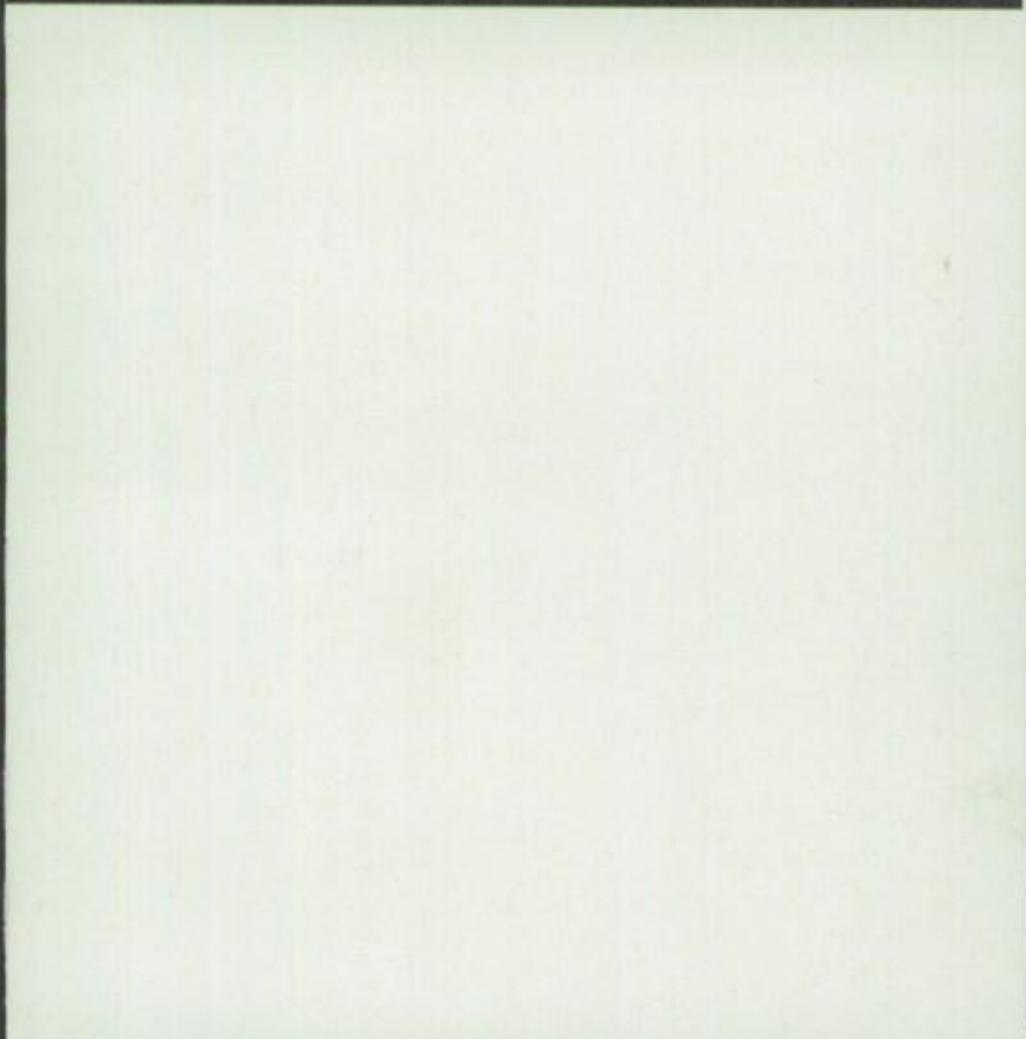

Gilbert's starting five led by Co-Captains "Bang" Williams and Tom McDermott, senior Ron Perkins, high scoring sophomore Jim DiVita, and sophomore Jerry Tanner, fought hard in their wins as well as their many close defeats. During the course of this season some of the Yellow Jackets' best contests were, a 45-43 win over the Torrington Red Raiders, a 55-53 win over Litchfield High, a 45-35 win over St. Thomas Aquinas, and a 44-21 victory over Kaynor Tech of Waterbury.

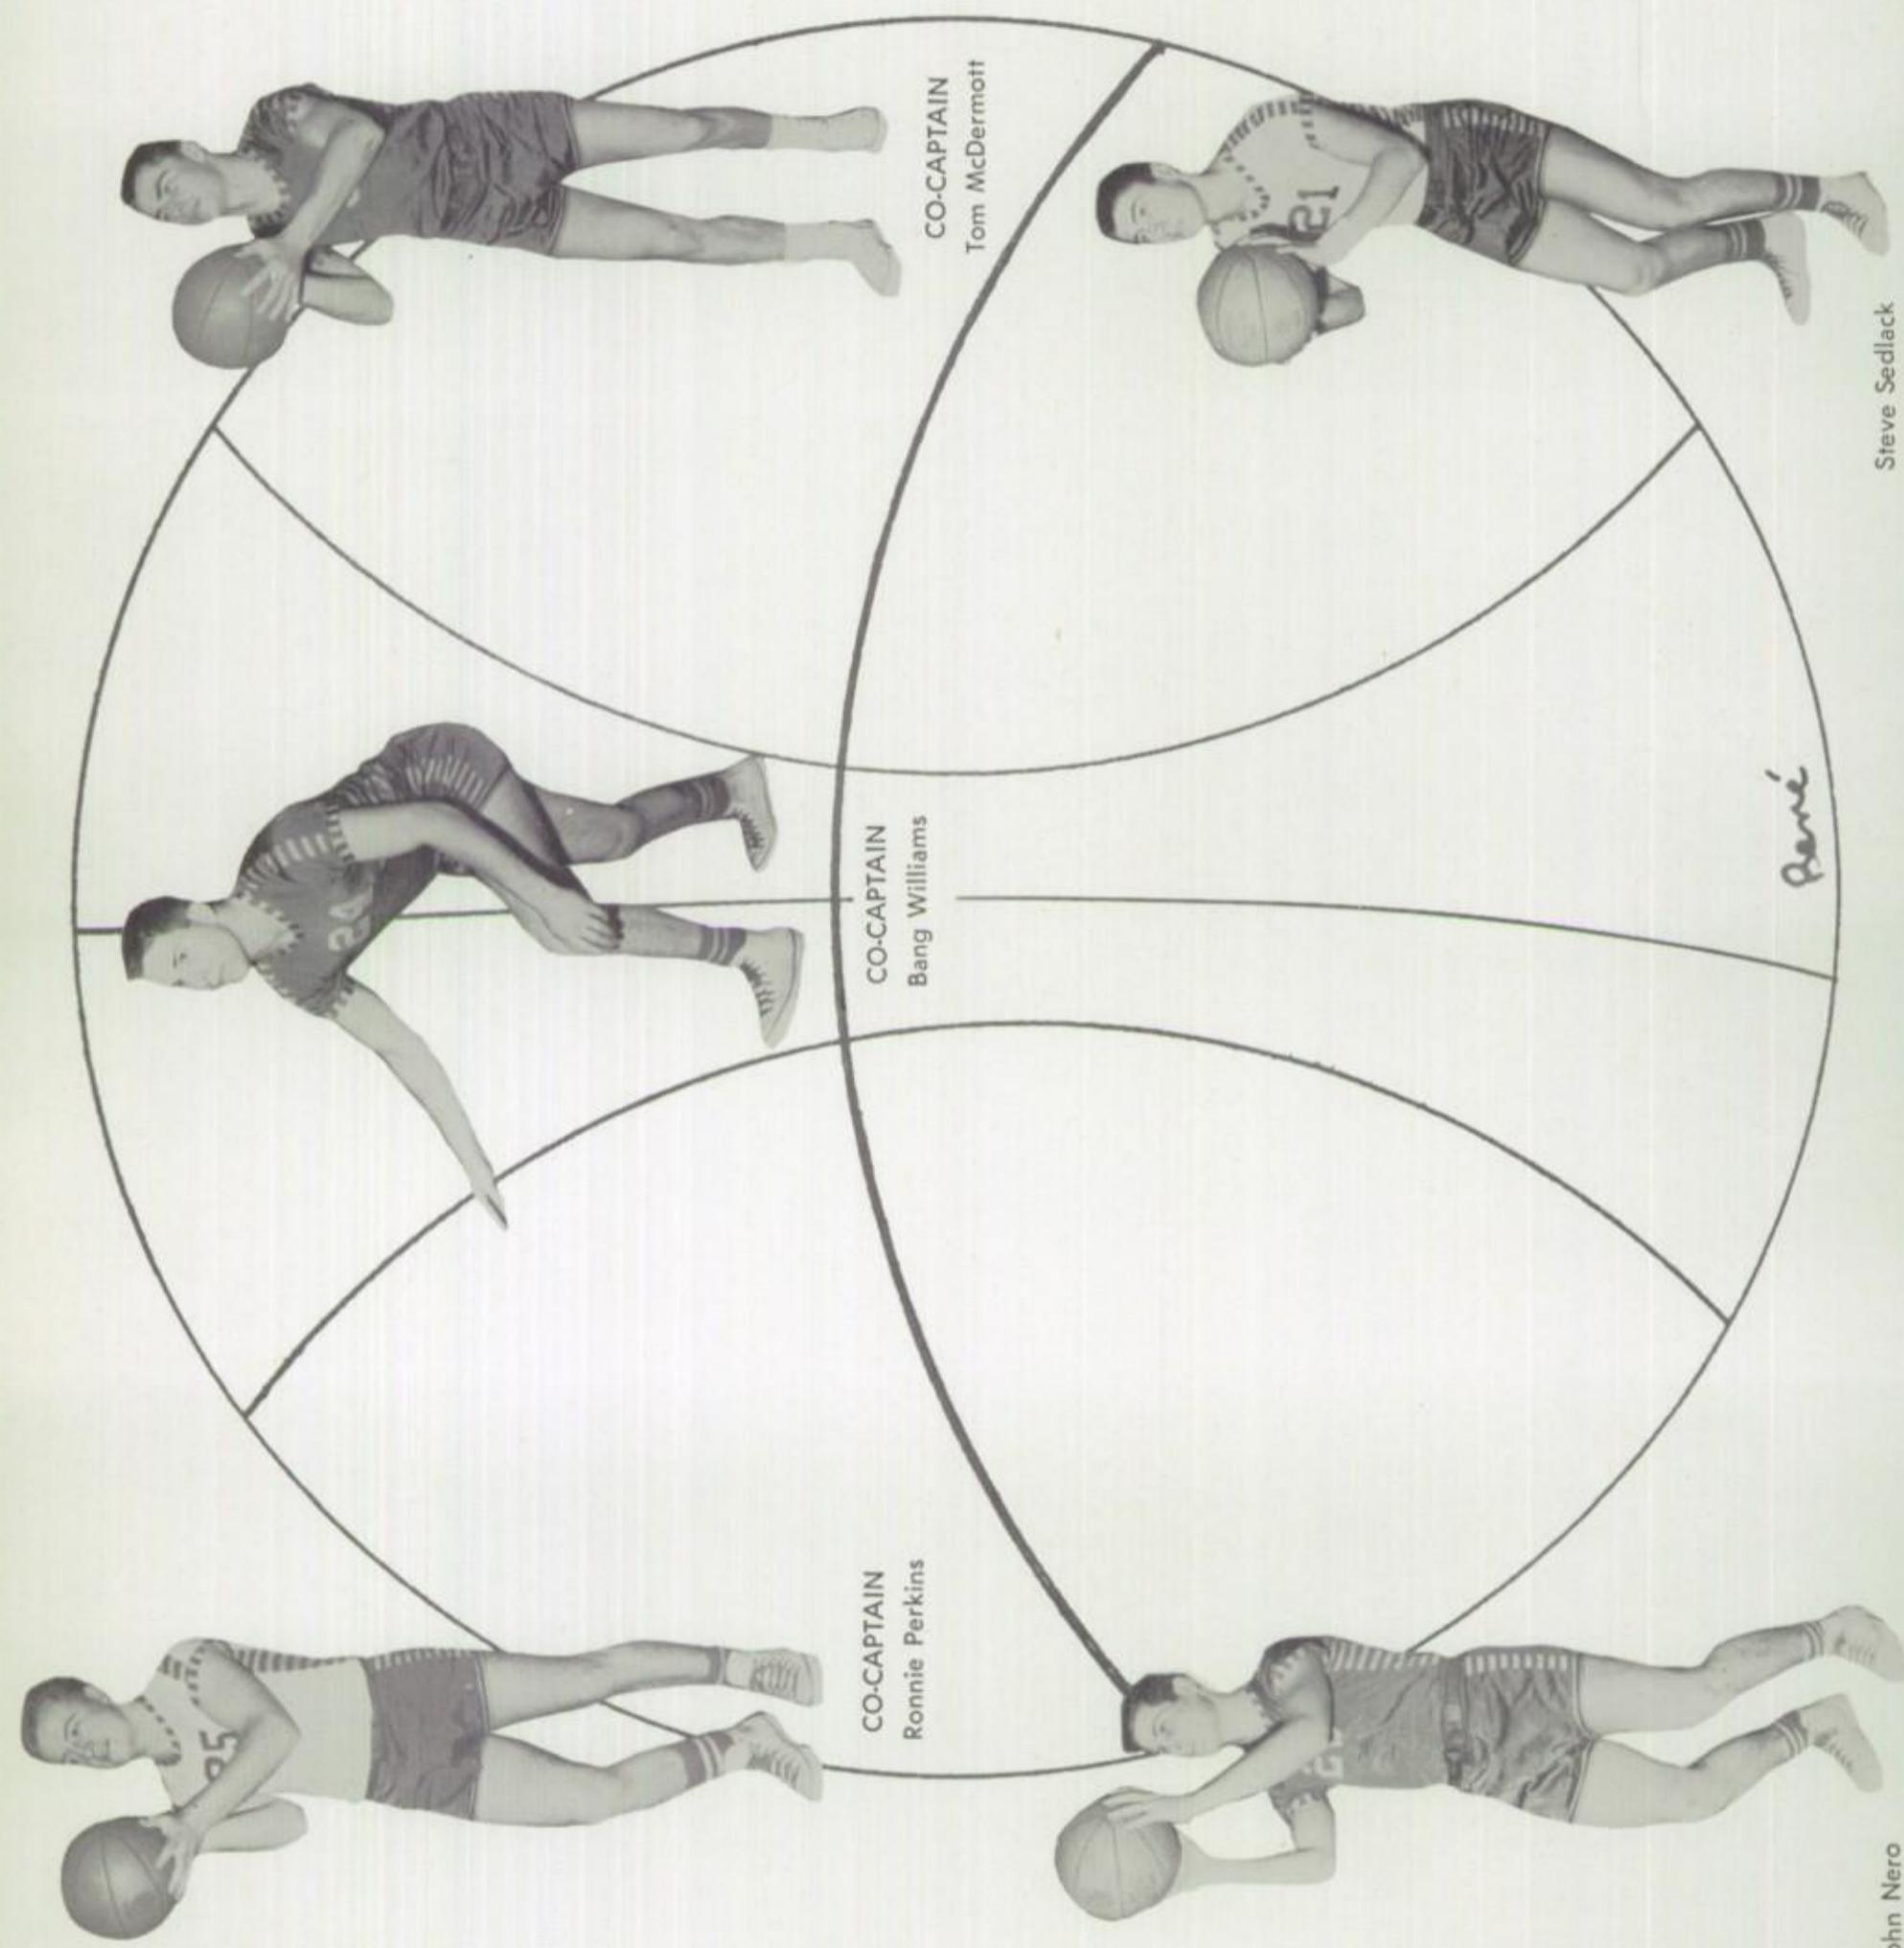

Coach "Doc" Flaherty expects an eager team next year of lettermen, Dennis Maloney, David Watson, Jim DiVita, Jerry Tanner, Richie Simmons, and Bill Dorn.

Coach Richard Healy deserves congratulations for his efforts in training the J.V.'s. Although the team suffered several losses, countless experiences in playing were gained and should leave Gilbert with many fine tournament teams in the days to come.

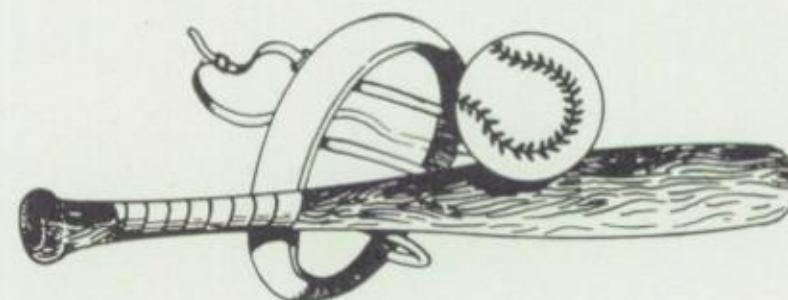

A very deserving "thanks" goes to the Gilbert cheerleaders who urged on the team and boosted its morale whether victory or defeat was the case. The turnout at the games has improved immensely in the past years but it is still far from perfect.

\*Naugatuck Valley Class "A" League Games

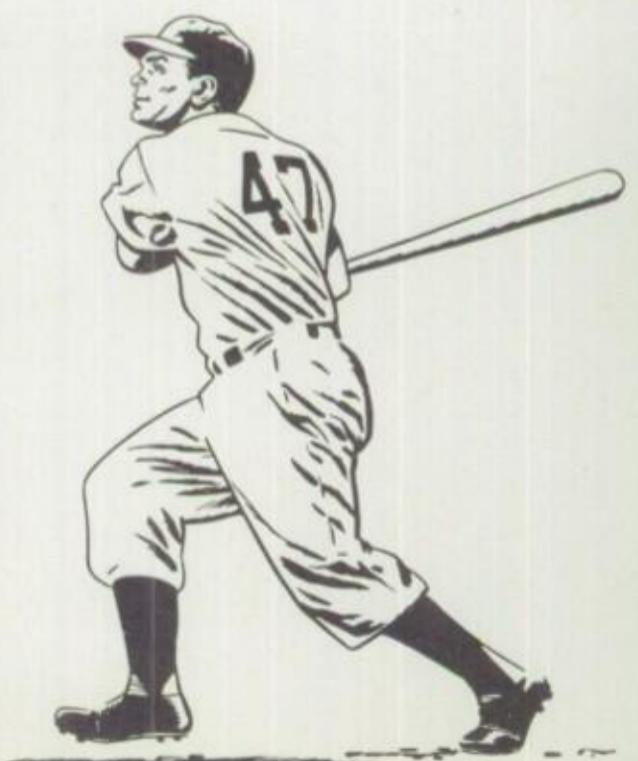

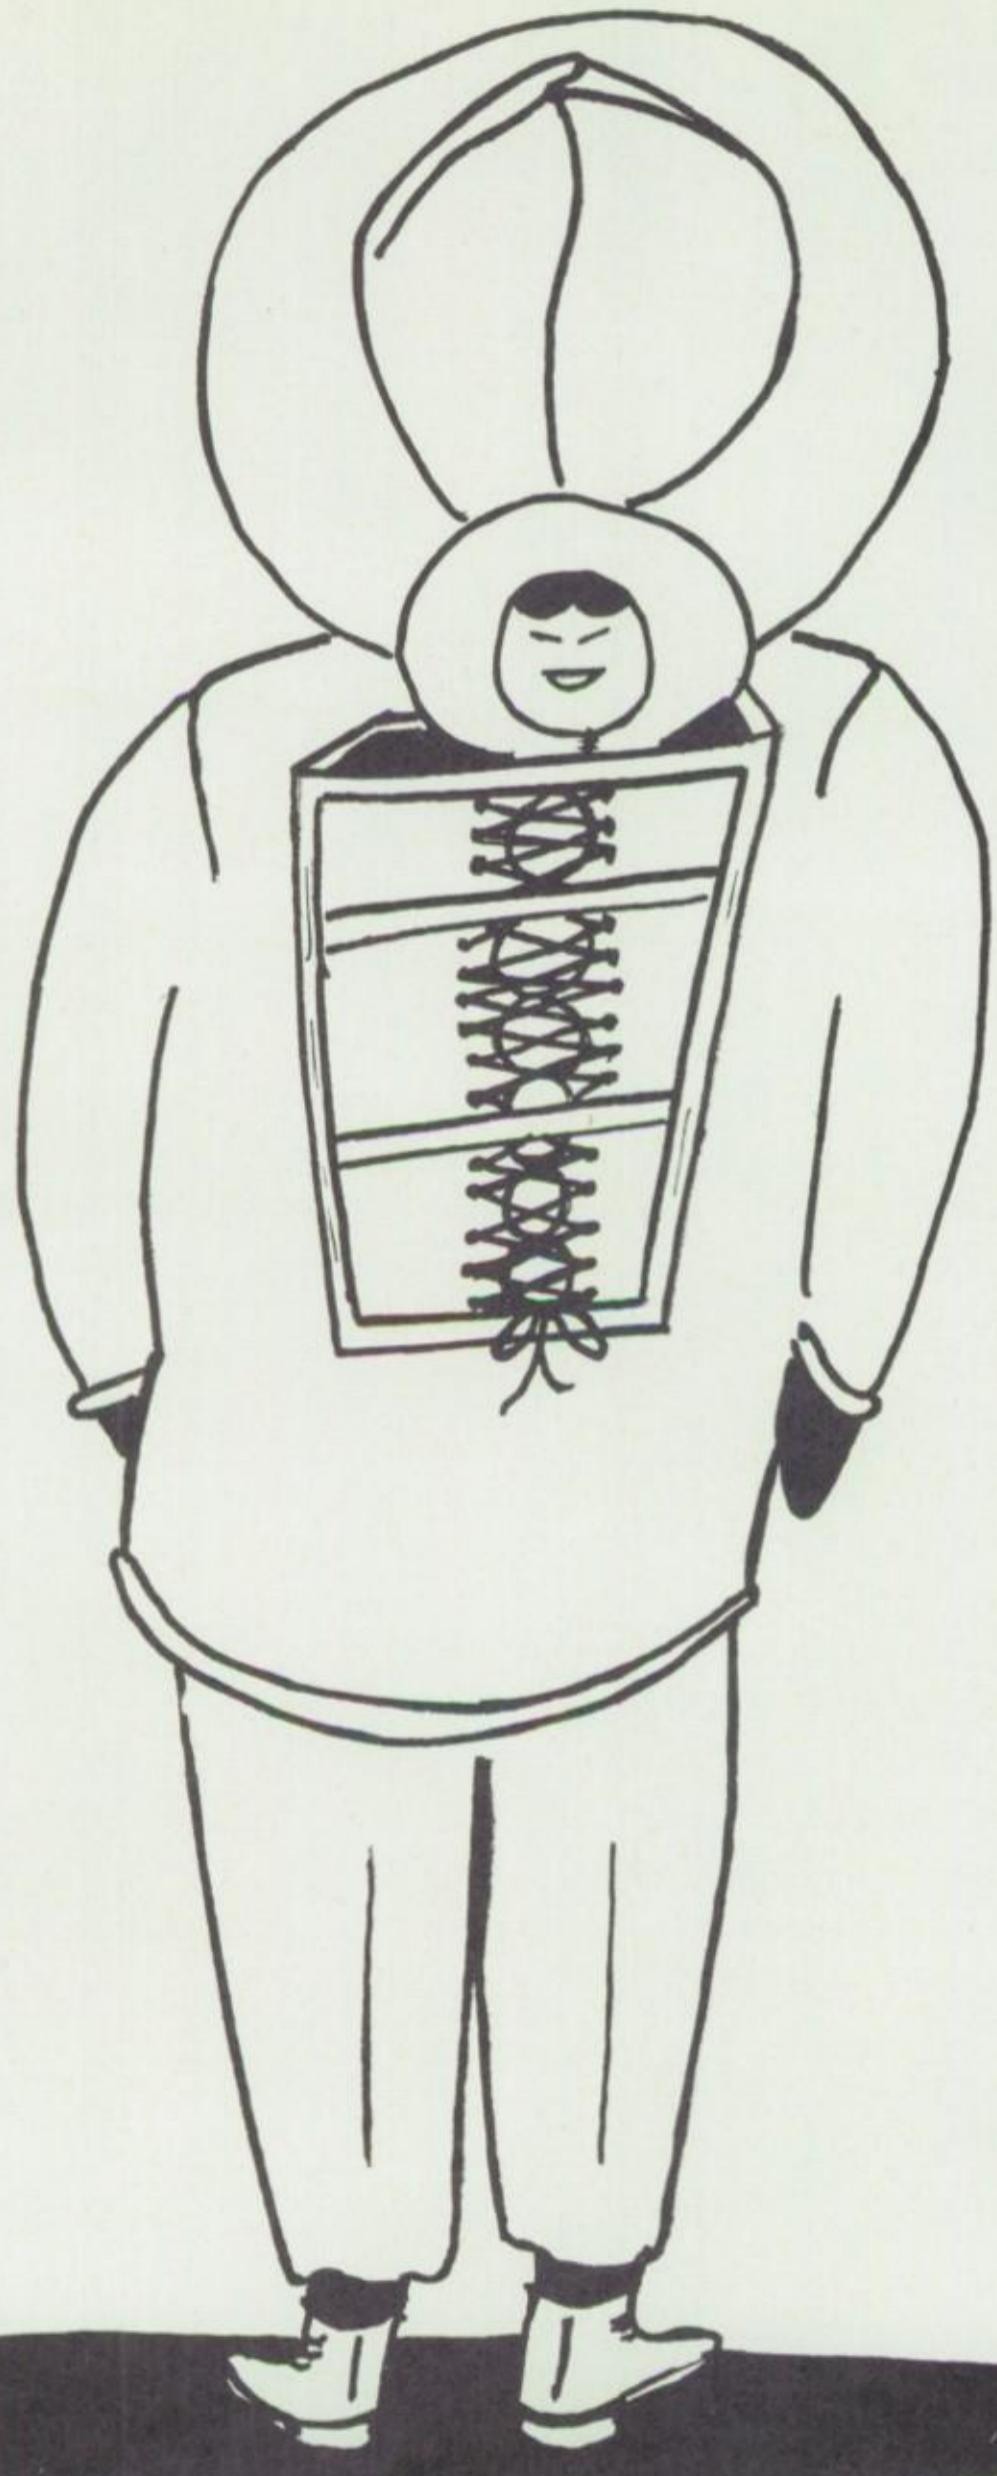

The 1960 Gilbert baseball schedule is exceptionally long this year.

Besides the normal Class "A" Naugatuck Valley schedule of fourteen games, four more opposing "nines" have been added.

The team is composed largely of veterans of the Junior Class, and thus also presents a nucleus of material for the 1961 year.

The Senior Supplement will carry a team picture, numerous action candid shots, and a record of the team's effort. The Miracle Board wishes the team fair weather and many hits.
